SUBJECT: Termination of Standardized Fine Process to Resolve Violations of the McAteer-Petris Act; BCDC Enforcement File No. ER2016.017

Dear Mr. Anderson,

On May 23, 2016, pursuant to BCDC Regulation (14 CCR) Section 11386(b), BCDC Chief of Enforcement Adrienne Klein sent an enforcement letter to the North Coast Rail Authority (NCRA) ("respondent"), the responsible party that you represent in this matter, and the Sonoma Marin Area Rapid Transit (SMART) district office in Petaluma, entitled, "Unauthorized reconstruction of a washed out road in the Petaluma River, in SF Bay, located west of the Black Point Bridge and east of Grandview Avenue...in Novato, Marin County." That letter notified the recipients that the NCRA had performed work in BCDC's jurisdiction without authorization: a retaining wall had been constructed in a tidally-influence marsh channel, tributary to the Petaluma River. In her letter, Ms. Klein initiated the standardized administrative fine process, pursuant to BCDC's regulations and stated that the respondent would be subject to fines if it failed to resolve the violation within thirty-five days (i.e., fines would begin to accrue as of June 28, 2016).

On July 12, 2016, Ms. Klein sent you a second letter, entitled, "Violation 1 – Unauthorized reconstruction of a washed out road and Violation 2 – Unauthorized installation of bridge automation equipment in the Petaluma River, in SF Bay, located west of the Black Point Bridge and east of Grandview Avenue...in Novato, Marin County." Ms. Klein's July 12 letter informed you that the respondent had failed to resolve the violation identified in her May 23, 2016 letter, and therefore was subject to standardized administrative fines. (That letter also notified the respondent about a second violation associated with the installation of a new metal box, apparently containing bridge automatic equipment, supported by a steel pile in the Bay, but it appears that the equipment is authorized under BCDC Regionwide Permit No. RWP-3, issued to NCRA and SMART on December 14, 2010.)

Then, on April 19, 2017, Ms. Klein sent you an e-mail, entitled, "BCDC Enforcement Case No. ER2016.017 NCRA at Black Point Bridge, Novato, Marin County," in which she informed you that 1) the unauthorized work ultimately resulted in the filling of the channel with gravel, which has harmed the habitat, and 2) that the fines accruing against for the violation identified in her May 23, 2016 letter would reach the \$30,000 allowable maximum if not resolved by May 28, 2017, after which the respondent could lose the opportunity to settle this enforcement matter by paying a standardized administrative fine.

To-date, the violation identified in Ms. Klein's May 23, 2016 letter remains unresolved. Therefore, on behalf of the Executive Director, pursuant to BCDC Regulation (14 CCR) Section 11386(h), I hereby inform you that the respondent will no longer have the opportunity to resolve the penalty portion of this enforcement matter using the standardized administrative fine process, effective thirty-five (35) days from the date of this letter. The Executive Director has directed staff to commence a formal enforcement proceeding on this matter pursuant to BCDC Regulation (14 CCR) Section 11321, which will result in the issuance of a Violation Report and Complaint for Imposition of Administrative Civil Penalties, to which you will be given the opportunity to respond, and a public hearing before the Commission's Enforcement Committee. During this proceeding, it is in the respondent's best interest to continue to pursue resolution of the violation by taking all necessary steps to authorize the work after-the-fact and seek and obtain authorization from BCDC staff to repair the damage that was done to the channel as a result of the violation. Please mail a completed BCDC permit application to the attention of Chief of Permits Jaime Michaels.

If you have any questions, please contact me at (415) 352-3633 or mtrujillo@bcdcc.ca.gov.

Sincerely,

MATTHEW TRUJILLO

§ 11321. Commencing Commission Enforcement Proceedings.

(a) If the Executive Director believes that the results of an enforcement investigation so warrant, the Executive Director shall commence Commission enforcement proceedings by issuing at least 45 days prior to holding an enforcement hearing on the matter the following materials to the last known address of each party that the Executive Director believes may be legally responsible in some manner for the alleged violation:

(1) a violation report that complies with the format set out in Appendix H,

(2) a complaint for civil penalties that complies with the format set out in Appendix H if the staff seeks civil penalties, and

(3) a statement of defense form that complies with the format set out in Appendix I. The violation report and complaint for civil penalties can be combined into a single document so long as it contains all the information required for both.

(b) The violation report shall refer to all documents on which the staff relies to provide a prima facie case and give notice that the documents may be inspected at the Commission's office and that copies will be provided with five days prior notice and upon payment of the cost of copying.

(c) Issuance of a violation report shall occur when the violation report is mailed by certified mail to all persons or entities named as a respondent in the violation report. Issuance of a complaint for civil penalties shall occur when the complaint for civil penalties is mailed by certified mail to all persons or entities named as a respondent in the complaint.

§ 11322. Respondent's Required Response to the Violation Report.

(a) Within thirty-five (35) days of the issuance of the violation report and the statement of defense form, each respondent shall submit to the Commission as its office an original and five copies of the completed statement of defense form and an original (or verified copy) and five copies of all documents that the respondent wants to be made part of the record of the enforcement proceeding, including any declarations under penalty of perjury and any documentary evidence such as letters, photographs, and similar matters. Once submitted, all such declarations and documents shall be permanently retained by the Commission as part of the enforcement record.

(b) If a respondent believes that cross-examination of a person relied on by staff in its violation report is needed to show or contest a fact alleged in the violation report, the respondent shall request such cross-examination in the statement of defense form. The addendum shall list the name of each person the respondent wants to cross examine, all documents about which the respondent wants to cross examine, a description of the area of knowledge about which the respondent wants to cross-examine the person, including a specific reference to the fact or information respondent disputes, the information that respondent believes can be elicited by cross-examination, and the reasons the respondent believes that the information can best be provided by cross-examination rather than by the submittal of declarations or other written evidence.

(c) Within 35 days of the issuance of a complaint for civil penalties and a statement of defense form, each respondent shall submit to the Commission at its office either (1) a certified cashier's check in the amount of the proposed civil penalty or (2) the completed statement of defense form and all documents that the respondent wants to be made part of the record of the enforcement proceeding, including any declarations under penalty of perjury and any documentary evidence such as letters, photographs, and similar matters, and any request to allow cross-examination.

(d) If the staff wants to cross-examine, the staff shall, within seven days of receiving a statement of defense form, mail to all respondents a list of all persons that the staff wants to cross examine, the area or areas of knowledge about which the staff wants to cross-examine the witness, and the information that the staff hopes to elicit in cross-examination.

(e) If the Executive Director sends a violation report and a complaint for civil penalties together, paying the civil penalties will not release the respondent from the possible issuance of a cease and desist order or permit revocation order.

(f) The Executive Director may at his or her discretion extend the 35-day time limit imposed by paragraphs (a) and (c) of this section upon receipt within the 35-day time limit of a written request for such extension and a written demonstration of good cause. The extension shall be valid only to those specific items or matters that the Executive Director identifies to the requesting party as being exempt from the 35-day filing requirement and shall be valid only for such additional time as the Executive Director allows.

(g) If a respondent responds to a complaint for the imposition of administrative civil penalties by submitting a cashier's check in the appropriate amount to the Executive Director in a timely fashion, the Executive Director shall cash the check and list the violation, the amount of the proposed penalty, and the fact that the respondent has agreed to pay the penalty as part of the administrative permit listing within 30 days of receipt of the check.

(h) At the next Commission meeting after receiving the listing, the Commission can object to the amount of a proposed administrative civil penalty that a respondent has paid by voting by a majority of those present and voting. If the Commission so objects, the Executive Director shall return the respondent's money and the respondent shall file his or her completed statement of defense form and supporting documents within 35 days of the Commission's action. Thereafter, the enforcement matter shall proceed according to these regulations.

(a) At least ten (10) days prior to the initial enforcement hearing on a proposed Commission cease and desist order, a proposed permit revocation order, or a proposed Commission civil penalty order, whether held before the enforcement committee, the Commission, or a hearing officer, the Executive Director shall mail by regular mail a written notice of the date, time, and place of the initial enforcement hearing to all respondents at their last known address and to all members of the public who have requested in writing that they receive such notice, provided that no notice need be mailed to the respondent if the respondent has already received notice of the hearing in a cease and desist order issued by the Executive Director. A meeting notice mailed pursuant to California Government Code Section 11125 will meet this notice requirement.

(b) After the initial enforcement hearing, notice of further enforcement hearings may be given by either announcing the date, time, and place of the further meeting on the record at the close of the preceding enforcement hearing or by mailing written notice of the date, time, and place of the further meeting to all respondents at least 10 days prior to the further enforcement hearing.

(b) Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in a civil action or unless it is in the form of a declaration under penalty of perjury or in the form of another document referred to in a violation report or complaint for the imposition of civil penalties and the declarant or author of the other document is subject to cross-examination as provided in Sections 11321, 11322, and 11327.

(c) The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant or unduly repetitious evidence shall be excluded.

(d) The Chair, the enforcement committee chair, or the hearing officer if one has been appointed shall have the final authority to determine whether any evidence whose admissibility is challenged by objection shall be admitted into evidence and become part of the record.

(e) In determining whether to admit testimony or exhibits into the record over objection, the Chair, the enforcement committee chair, or the hearing officer if one has been appointed shall consult with the Deputy Attorney General in attendance at the hearing.
